A tri-merge credit report from all three bureaus is approximately \$95. **Your credit card will not be charged until you approve the price on the Order Confirmation screen.**

Please enter the information here [CREDIT REPORT REQUEST](#) to proceed with the credit step of your application. This is necessary to submit your file to underwriting and receive your full approval. You will receive a full copy of the report for your records from the secure portal upon completion. The fee along with an appraisal if needed is listed on your initial fees estimate and will be adjusted on the final closing figures.
